No. 589.

INDIA OFFICE:

London, 9th December 1873.

To His Excellency the Right Hon'ble the Governor General of India in Council.

MY LORD,—

I have considered in Council your Military letter, dated 23rd October 1873, requesting to be informed whether probationers for the Staff Corps are entitled to subscribe to the Indian Service Family Pension Fund.

	Page.		Page.
2. This question was raised in a letter from the Examiner of Fund Accounts to the Director of Military Funds, dated 3rd June 1873, and I decided in Council "that Staff Corps probationers should not be admitted to the Fund, and that officers on being gazetted to the Staff Corps should join the Fund from the date of the <i>Gazette</i> notifying their appointment; no arrears being claimed for the period during which they are probationers."		G. G. O. No. 303, dated the 21st March 1872, under the head "custody of and damages to barracks and furniture:— <i>It will be the duty of the subordinate so appointed to inspect monthly all buildings and barrack and hospital furniture, in conjunction with the Quartermaster Serjeant of the regiment in occupation; or, in hospitals, with the Hospital Serjeant or a Medical Subordinate deputed by the Medical Officer in charge; and he will then assess all damages done by the troops to buildings or furniture in their charge. In case of a disputed charge, the matter will be inquired into, and if possible, settled by the Executive Engineer and Quartermaster, or Medical Officer in charge of the hospital. On a regiment finally quitting its barracks, the inspection of the lines is to be conducted by the Executive Engineer, accompanied by the Quartermaster and Medical Officer.</i>	
I have, &c., (Sd.) ARGYLL	38	<i>All such inspections, whether conducted by Officers or Subordinates of the Public Works Department, should be held on specified dates, which should be notified in Station orders for general information.</i>	
No. 73 of 1874.—His Excellency the Governor General in Council is pleased to declare that the right flank cells of the garrison prison at Poona, Bombay Presidency, shall be deemed and taken to be a military prison under the provisions of G. G. O. No. 1004, dated the 18th October 1870	39	Order books to be corrected accordingly	47
No. 79 of 1874.—With the view of obviating misapprehension, and placing all officers who occupy Government quarters on an equal footing, the Right Hon'ble the Governor General in Council is pleased to direct that in future the scale of rent for such quarters shall in all cases be that prescribed in G. G. O. No. 859, dated 26th October 1866.		No. 96 of 1874.—Revises the pay of the British soldier in India, and to grant him a free ration of bread and meat, with firewood.	
2. Presidency house-rent being in fact an allowance specially granted, in addition to the house-rent or tentage virtually included in every officer's pay, to enable him to provide himself with suitable accommodation in a presidency town, any officer who may be in receipt of it will, on his occupying public quarters, cease to draw that scale of house-rent, and will pay the rent laid down in that General Order.		2. The following tables of pay are published for the information of all concerned, and will have effect on and after the 1st of February 1874:— <i>New Pay Tables for the British Forces in India.</i>	
3. This order supersedes G. G. O. No. 579, dated 30th May 1867, and is applicable to the three Presidencies	39		
No. 86 of 1874.—With reference to G. G. O. quoted on the margin, rules that when Battery Staff Sergeants of Horse and Field Artillery are appointed to act as Brigade Staff Sergeants, they are to retain the pay and allowance of their own appointments, and the non-commissioned officers appointed to perform the duties of Battery Staff Sergeants will receive the extra pay of 6d. a day in addition to the pay of their rank.

| missioned Officers and men on discharge from the Army. | | in the Regimental Pay List, on a separate form or voucher. The soldier will sign the form or voucher in evidence of his having received the gratuity, and in each case in which the sum of £4 or £5 is awarded, the charge will be further vouched by a certificate of the Officer Commanding that the soldier has not been recorded as guilty of drunkenness during the ten years immediately preceding his discharge. In the case of a Non-Commissioned Officer referred to in paragraph 8, the certificate for the period during which he has been detached to the auxiliary forces, will be signed by the Adjutant and countersigned by the Commanding Officer of the Regiment or Corps with which he has been serving. | |
| 2. The scale of gratuities will be regulated annually according to the state of the General Fund, and will be notified to the Army from time to time. | | 10. In the case of a soldier dying in the service, his estate will receive credit for such amount of gratuity as he would have been entitled to had he been discharged from the Army on the day previous to the date of his death. These gratuities will be charged in the Regimental Pay List on the same form or voucher as those issued to men on discharge, vouched by a reference to the non-effective account in which the credit is given. | |
| 3. From the 1st January 1874, the issue of the gratuities will be regulated by the following rules, except that, in Colonial Corps, the rates of gratuity will be only half those fixed for the Army generally. | | 11. Clause 140, Army Circulars, 1872, and Clause 4, Army Circulars, 1873, are hereby cancelled. | |
| 4. Every soldier, who shall be discharged otherwise than for misconduct, will be paid, at the time of his discharge, a gratuity calculated at the rate of twenty shillings for each good conduct badge then in his possession; provided that the total sum of £3 shall not be exceeded, except in the case of a soldier who may not, for the ten years previous to his discharge, have been recorded as guilty of drunkenness. In such case the limit will be extended to £4 if the soldier shall be in possession of four good conduct badges, and to £5 if he shall be in possession of five good conduct badges. | | 2. This order will not affect the arrangement regarding the monthly remittance of the recoveries for drunkenness as notified in G. G. O. No. 129 of 1872 167 | |
| 5. In the case of a Sergeant the amount issuable will be calculated on the number of badges to which his services and conduct would have entitled him, had he been a private soldier at the time of his discharge, subject to the above limits. The charge will be vouched by a certified record of service. | | No. 342 of 1874.—His Excellency the Governor General in Council is pleased, under the authority of the Right Hon'ble the Secretary of State for India, to notify the following changes in the classification, designation and staff salaries of the several Ordnance Manufacturing Agencies in India:— | |

| 7. Such men, if allowed to rejoin the colours, will not be required to refund any portion of the amount so received. They will be paid on final discharge from the Army a gratuity, at the rates specified above, for any badge or badges they may have become possessed of over and above those they had when transferred to the Army Reserve. | | These agencies will be styled factories, viz.,— | |

The staff salary will be Rs. 150 per mensem for the first year, and Rs. 200 for the succeeding years, should they be favorably reported upon and pass such tests as may be laid down.

These officers are not to be considered available for executive employment in the Department, and will ordinarily rejoin their Batteries at the expiration of their tour of staff service.

Three of these assistants will for the present be allotted to Bengal and one to each of the Presidencies of Fort St. George and Bombay.

The staff salaries of the Deputy Inspectors General will be in Bengal Rs. 800, and in the Madras and Bombay Presidencies Rs. 600 per mensem, in addition, as at present, to regimental pay and allowances, the officers of the other grades receiving the same staff salaries as at present.

Any leave on this account, which may be granted to them by the authority under whom they may be serving, must be taken under the rules of the British Service, and therefore, whilst borne on the Indian Establishment, they will receive the British pay of their rank, and that only.		No. 510 of 1874.—Under the authority of the Right Hon'ble the Secretary of State for India, it is hereby notified that the following modification will be made in the provi-	
2. This ruling does not apply to officers of Royal Engineers permanently employed in Departmental service, or to other British Officers who may be permanently employed under the Governments of India. These are eligible for all the advantages of the Indian Furlough Rules so long as they retain their appointments ...	304
